

PEBBLE CREEK HIGH MONTESSORI SCHOOL

To Whomsoever it may concern

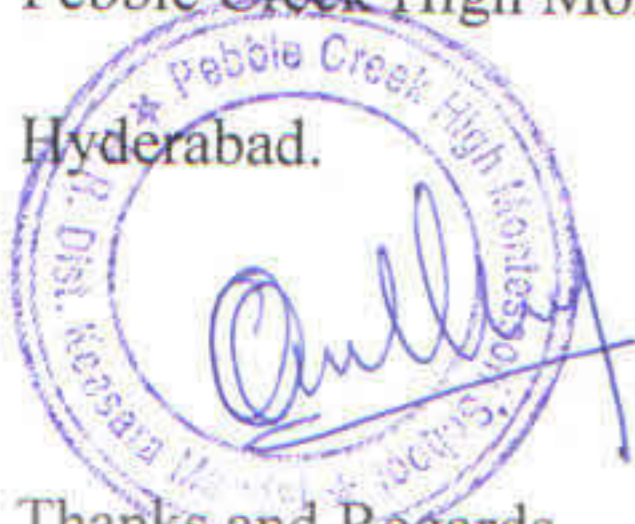

We thank Mrs Padmini Rangarajan and her team from SPECART for the puppet show. It was a well organised, beautiful show where all the children were involved. Usage of traditional names for the characters was a good idea. The Rajasthani folk song was refreshing.

Very fresh, entertaining and a good story line behind every play. The most interesting being the story of the bird that saved the forest. Good way of introducing the animals to children. All were eager to know the moral behind every story.

Introduction of the theme before and after each episode of the show was good and helped children to connect to the theme and story. Thank you for this wonderful experience!

Pebble Creek High Montessori School,

Hyderabad.

Thanks and Regards,
