Respected Madam,

This is in regard to the "Special workshop on Storytelling with Puppets making course for Primary School Teachers" that you conducted in our school from 11/04/2018 to 14/04/2018. We wish to state that the sessions were well received by our staff. It was a great learning experience for them, and it has already started showing in their teaching methods.

We put on record your valuable inputs and thank you immensely for having lively interactions with our teachers and making the sessions memorable.

Thanking you,

With warm regards,

Smt. Sadhana.S
